

Pacific Safety Council's

Monthly Safety Forum

February 2012

Topic: Unraveling HAZWOPER training requirements – What's Best for Me? This discussion will clearly define the duties, responsibilities, and restrictions for those trained to the HAZWOPER 8, 16, 24, and 40 hour levels.

When: Wednesday, February 29, 2012

Time: 11:30 am to 1:00 pm (Lunch will be provided)

Place: Pacific Safety Council
9880 Via Pasar Suite F
San Diego, CA 92126

Presenter: Carlos Bejar, MEP, COSS

Presenter Bio:

Carlos Bejar has over 24 years of experience in Environment Safety and Health compliance. His experience includes 13 years in Emergency Response and Preparedness, Hazardous Materials, Recreational Water Quality, Legislative Analysis and Pollution Prevention. He has extensive experience supervising field staff, and coordinating binational projects.

He is an instructor of emergency first responders both in the U.S. and Mexico as well as a state certified CSTI Hazardous Materials First Responder Specialist and Instructor. He works as a part-time adjunct instructor for Southwestern College's Fire Science and Hazardous Materials Technology 2 year Associate in Arts programs. He is also a part-time instructor for the Pacific Safety Council. He serves on a voluntary basis as Technical Advisor and Instructor to the State of Baja Office of Disaster Preparedness, for local Fire and Police Departments and on Baja's Major Disaster Tactical Response Team. He works closely with the Office of Disaster Preparedness, the Secretariat of Health Services and the Federal Secretariat of Environmental Affairs in Mexico.

Pre-registration is required as seating is limited.
