## Course Description

This professional training program covers all areas of lift truck operation, maintenance and safe practice. Participant will receive a complete presentation package including: guidelines, test, forms, inspections and performance checklists, OSHA background information, exercises for conducting "hands-on" training and instructional videos or DVD's. (Standard sit-down lift used for skills test)

## Expect to Learn

Participants will receive a complete presentation package including:

- Guidelines, tests, forms, inspection and performance checklists
- OSHA background information
- Exercises for conducting "hands-on" training
- Two instructional videos

## Forklift Products

For every operator that you train, a Lift Truck Response book must be provided. The response book includes a wallet card and certificate which is to be completed by the Instructor with the correct information. Response Books are sold in sets of 10 and Include:

- 32 page workbook
- Interactive exercises
- Certificate of completion
- Wallet Certificate

Friendly FYI:

If the above dates and times do not fall within your timeframe, please call 858-621-2313 x115 for information about on-site training and consulting.
