Course Description

According to OSHA this is an annual requirement for HAZWOPER trained personnel to complete. Requirements are found in 29 CFR 1910.120 and CCR Title 8, Regulation 5192. Attendees must have completed one of the following: 8-Hour Awareness level training, 24-Hour training, 40-Hour training, or 8-Hour Refresher with the past year.

While at Work

Are you likely to:

- Witness or discover a hazardous substance release?
- Be responsible for notifying the Emergency Response team of a hazardous substance release?
- Be in charge of keeping people away from a hazardous substance release until authorities arrive?
- Support a hazardous substance response team?

If you answered yes to any of the above questions, then this level of HAZWOPER training is right for you.

Friendly FYI:

If the above dates and times do not fall within your timeframe, please call 858-621-2313 x115 for information about on-site training and consulting.
